DETAILED ACTION

Allowable Subject Matter

The indicated allowability of the claims in the previous Office action is withdrawn in view of the newly discovered reference(s) to “COAL CLEANING AT PULVERIZED-COAL FIRED POWER PLANTS” co-authored by the Applicants of the instant application. Rejections based on the newly cited reference(s) follow.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1-2, 5-18, 28-29, 32-45, and 48-56 are rejected under 35 U.S.C. 102(b) as being anticipated by the publication “COAL CLEANING AT PULVERIZED-COAL FIRED POWER PLANTS” (hereinafter “Coal Cleaning”). Coal Cleaning discloses all of the claimed limitations. The Examiner will not go into details of the prior art for all the claims because the prior art was co-authored by the applicants of the instant application.

Response to Arguments

Applicant's arguments with respect to the claims have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

Applicant's submission of an information disclosure statement under 37 CFR 1.97(c) with the fee set forth in 37 CFR 1.17(p) on March 11, 2003, prompted the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 609(B)(2)(i). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
